MASONRY CONTRACTORS OF NEW JERSEY, New Jersey Chapter I.C.E., is a not-for-profit Trade Association formed in 1992 by New Jersey's leading union masonry contractors, suppliers, and manufacturers to address the continuing concerns about the future of our industry.

We've experienced significant growth since our formation and added design professionals to our membership roster, which now stands over 150 members strong. We are well established as a premier industry Trade Association with local and national recognition. Our members are kept up to date with the latest technological innovations, political happenings, OSHA regulations, and other industry information.

The Association remains dedicated to representing the interests of our members and promoting the advantages of masonry design and union construction.

Krando Metal Products, Inc. turned 36 this year. Our company began with a modest dream of success and has grown into a formidable presence in the masonry industry. We credit our success to the ever-growing customer base, the friendships that we have created over the years, as well as a strong persistent attitude towards this industry.

Our company prides itself on providing high quality goods and services manufactured in a timely manner, while keeping costs under control. This level of service set us apart as a leader in the industry.

In an effort to stay ahead of the curve, we are continually investing in new and better machinery, technology, as well as training. Our recent addition of an Emmegi Milling Machine has opened capabilities in the Aluminum Extrusion and Curtain Wall markets. This along with many other advances will keep Krando a leading manufacturer of all construction needs. We look forward to sharing Krando Metal Products with you soon and proving how this company is the best asset you could have.
